

This is your child's chance to become a permanent part of SGES
and support the library!

Our library needs your help!
SGES' 2012 ANNUAL BOOK DRIVE!

Many books in the library have been loved by our children and need to be replaced or updated.

It is critical that our children have a great library to help expand their growing minds.

Think about how excited your child gets when it is library day and they bring home a book. Now think about how excited they will be to bring home a **brand new book** that they donated to the library.

In an effort to expand/update the library, we are giving you the opportunity to purchase a book in your family or child's name.

For only \$5 you can purchase a soft cover book and for \$15 you can purchase a hard cover book. With this purchase the book(s) will have a sticker on the inside cover reading "This Book was donated by"

The children will love to see "their" books being read and enjoyed by their friends.

They will also receive a letter letting them know which book (s) they sponsored!

Be sure to ask family and friends if they would like to purchase a book on behalf of your child.
Don't forget about your older children who have attended SGES!

Please return your order form and payment by **January 27, 2012.**

Be on the lookout for the library PJ night in the spring with special guest readers for all to enjoy!

Thank you for your support!
Your child will thank you when they are enjoying the new books!
