Re: Stop & Shop cards

WELCOME BACK!! Fall is right around the corner and it is time to stock up on all the makings of tasty fall treats, all while helping our school raise money for our children's enrichment programs!

If you do any shopping at Stop & Shop, you can help us by buying a Stop & Shop gift card to use when shopping. The gift cards work just like a debit card; if you don't use the entire amount, the balance remains until your next shopping trip. **It doesn't cost you any extra money -- just pay the face value of the card; but our PTG makes 5% of all cards we sell!!**

Your card purchases can really add up; **by purchasing just (2) \$50 cards each month during the school year, your family can earn \$50 for the SGES children!** In addition to making great gifts, the cards are greatly appreciated as donations to food shelters in the area. Please fill in the information below and send it to school with your child.
